To Whom It May Concern:

This letter represents our recommendation of CS&W Contractors as an outstanding General Contractor not only for the City of Phoenix, but the State of Arizona.

Lindsey Trucking, Inc., a Certified DBE, SBE and WBE firm has been doing business with CSW for over four years. We have formed a great and beneficial working relationship. With that comes a more productive and efficient running project.

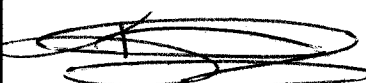

CSW uses Lindsey Trucking not only for our DBE status but also because we have the experience and the qualifications needed to complete the projects. Lindsey Trucking is one of the only DBE trucking firms in Phoenix who carry the necessary insurance requirements for most City and State Projects.

CSW has always treated Lindsey Trucking honestly and fairly. We enjoy working with them and helping them not only reach their DBE goals but to have a successful, efficient and smooth running project. They have notified us in a timely manner about all upcoming projects in order to give Lindsey Trucking the time need to research the project and provide CSW with a fair bid for the work.

In closing I would just like to say again that CS&W Contractors has been an outstanding Company to work with and we look forward to a long, healthy and beneficial relationship with them as a Certified DBE, SBE and WBE subcontractor.

If you have any questions concerning CSW, please feel free to contact me at our office.

Sincerely,

Kim Lindsey, President  
Lindsey Trucking, Inc.
