

West Air Cargo Pavement Reconstruction
Project No. AV06000020 – FAA
Bid Package No. 1

Acknowledgement of Interest

Date: April 28, 2010

To: Perspective Bidders

C. S. & W. Contractors, Inc. (CSW) is the Construction Manager at Risk (CMAR) for the West Air Cargo Pavement Reconstruction Project with the City of Phoenix and we are soliciting bids for subcontractors.

This is an airside project consisting of approximately 56,000 SY of pavement reconstruction in the south airfield of Phoenix Sky Harbor International Airport (PSHIA). It is tentatively scheduled to begin mid-June and be completed July 31, 2010.

Scope of Work to Be Subcontracted:

- Milling of approximately 56,000 SY of existing asphalt pavement
- Placing of 3” thick P-403 with 15% RAP
- Placing of 2” Polymer modified P-402
- Striping of apron per FAA requirements
- Construction Layout & Staking
- Sweeping
- Trucking of milled material and HMA
- Provide quality control and testing

MANDATORY PreBid Conference: Tuesday, May 11, 2010 at 10:00 am in the first floor conference room at C. S & W. Contractors, Inc., 6135 N. 7th Street, Phoenix, AZ 85014

Bid Date: Friday, May 14, 2010 at 10:00 am

Prequalification and Interest:

Please acknowledge your interest below and return no later than 1:00 pm on Wednesday, May 10, 2010. If you are not currently a prequalified subcontractor with CSW we will forward a prequalification package upon notification of interest to bid. Once qualified, the plans and specifications for the project will be provided.

Should you have any questions or comments concerning this request, please feel free to contact Dan Gammill at 602-266-7000 / dang@cswcontractors.com.

PLEASE COMPLETE BELOW AND EMAIL YOUR INTENTION TO estimating@cswcontractors.com OR FAX TO 602-266-7070
